Sir,-

N.W. ¼ Sec. 18 Tp. 56 Rge. 20 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner

Seed Grain and Relief Advances

The attached report, with recommendations of the Chief Collector of the Collection Branch, Department of Municipal Affairs, dated March 28,1952, has been submitted to the Agricultural Relief Adjustment Board, and in the opinion of the Board the proposed adjustment is fair and reasonable, and it is desirable that it be accepted.

In accordance, therefore, with the provisions of the Agricultural Relief Adjustment Act, Revised Statutes of Alberta, 1942, IT IS ORDERED that the recommendations for the adjustment and settlement of the said account contained in the said report be, and the same are, hereby APPROVED AND ACCEPTED.

BOARD ORDER
No. 11068

March 28,1952

E. J. W. Judge.
Chairman,
Seed Grain and Relief Adjustment Board,
Edmonton, Alberta.

Dear Sir:

Re: Edward Johnson
SW 4-10-23-W.4th.
NW 33-9-23-W.4th.
Seed Grain and Relief Advances

The above party obtained the following Joint Relief Advances giving as security liens on the title to the S.W. 4-10-23-W.4th for each amount and for the amounts of forty-eight dollars ($48.00) and fifty-five dollars and fifty cents ($55.50) liens on the title to the N.W. 33-9-23-W4th.

April 29,1921	$86.00
March 21,1921	55.50
January 30,1922	191.84
	205.34
Interest to March 31st.1950	432.73
	638.07
Payments	49.00
	$ 588.07

The portion of the account representing a charge on the title to the N.W. 33-9-23-W.4th including accrued interest to March 31st.1950 amounts to three hundred and nine dollars and eighty-six cents ($309.86).

Title to the S.W. 4-10-23-W.4th was subject to a mortgage registered by the Imperial Life Assurance Company of Canada in 1911 under which foreclosure proceedings were concluded in 1934, resulting in the title to this parcel being vested in the name of the mortgagee free of the liens.

The debtor died in 1934 and although a son carried on farming operations, he was not in a position to proceed with the administration of the estate as his father was bankrupt at the time of his death.

A solicitor acting in behalf of the son who is the debtor's sole heir has now approached this office and tendered the sum of fifty dollars ($50.00) for a release of the liens to the title to the N.W. 33-9-23-W.4th. I am advised that the son was forced to leave the farm as a result of his health in 1940 and since 1945 has been

[illegible] unable to do any work of any nature. His only source of income has been Twenty dollars ($20.00) a month which he has been receiving under Agreement for Sale covering a portion of the land. He has now been able to dispose of the balance of the property on the basis of Twenty dollars ($20.00) per month and he will now receive a total of Fifty dollars ($50.00) a month which will run approximately 2 or 3 years only at which time he will be eligible for the Old Age Pension at the age of 65. I am advised that the land is of low value being rough and rolling and that the money he will realize therefrom represents the maximum value of the property. This can be readily understood as the property is situated in a township which has been eligible for awards 9 years of the 12 in which the Prairie Farm Assistance Act has been in operation and is situated immediately adjacent to the Old Man River.

I might advise that the man has been able to make this offer only through the purchaser making one payment under the agreement in advance.

In view of the circumstances it is my opinion that this case is worthy of every consideration and as the sum tendered represents approximately fifty percent of the principal amount charged on the parcel in question, I recommend that the offer be accepted, the balance of the whole account be written off and the liens discharged.

Provincial Seed Grain Advances in the original sum of Four hundred and fifty-seven dollars and fifty-eight cents ($457.58) have already been cancelled together with accrued interest.

Yours very truly,

H. C. French

Joint Relief Advance

Dear Sir:

The above party obtained the following Joint Relief Advance giving as security liens on the title to the above land.

May 6,1920	$95.97
April 1,1920	139.80
April 1,1920	47.60
March 28,1922	50.90

The debtor has approached this office for a compromised settlement of this account through an agent who has made certain investigations regarding the land and liens, that agent having been realted to this office.

The title to the above parcel is subject to a mortgage in the amount of two thousand dollars ($2,000.00) registered prior to the liens. The debtor's agent advises that there is now owing somewhat more than twelve hundred dollars ($1,200.00) under the mortgage, same was given in 1918 the interest rate being eight percent (8%) per annum, it is extent that the debtor made substantial payments thereon in the past although it has been impossible to establish the actual amount paid. This parcel is assessed for taxation purposes at Nine hundred and sixty dollars ($960.00) and I am advised that its value on today's market is in the neighborhood of Three thousand seven hundred and fifty dollars ($3,750.00) due to the improvements which have been placed thereon by the debtor.

As the land is situated in the Medicine Hat territory and is a township which as been eligible for awards under the Prairie Farm Assistance Act in 7 years out of the 12 in which awards have been granted, it would seem that a fair valuation has been placed thereon.

The debtor has farmed the above land for approximately 40 years and the net value thereof together with another quarter, title to which was encumbered to the extent of Two thousand seven hundred and forty-two dollars and eighty-three cents ($2,742.83) represents the total assets accumulated by the debtor during that period.

Taking into consideration the amount which he has already paid under the prior mortgage and the balance still owing it is evident that the debtor will have invested the greater part of the value of this parcel in same and it is my opinion that the sum now tendered, which together with previous payments represents a total recovery of Six hundred and seventeen dollars and forty cents ($617.40) against original advances of Three hundred and eighty-two dollars and forty-two cents ($382.42), is most equitable. I therefore recommend that the offer be accepted, the balance of the account being written off and the liens discharged.

Provincial Seed Grain Advances in the principal sum of Seven dollars and thirteen cents ($7.13) have already been cancelled with accrued interest.

Yours very truly,

CHIEF COLLECTOR

Memorandum

Sgt. [illegible] M.,
Homestead of Mr. Window,
Entry granted first August,
1909.

It has been represented that this entrant enlisted and that he was wounded in action and sent to England where he now is.

Mr. Window has furnished a statement claiming the performance of the duties set out on form #50 marked. Mr. Window wishes to apply for patent and it would seem that he would be in a position to do so, provided he had a house erected on the land. Mr. Window states he had a house erected, but that he pulled it down intending to build a better one.

Homestead Inspector Hagen in a report dated the 19th December, 1914, sets out that the improvements then upon the land consisted of a log house 12 by 14 worth $[illegible].00, fencing worth $[illegible].00 and 12 acres cropped and 6 acres of fresh breaking.

If Mr. Window has been rendered unfit to complete his duties owing to his military service, he would be entitled to patent without being called upon to perform any further settlement duties, but no proof has been furnished that he has been disabled nor that he has been wounded.

Recommended

I submit for your consideration the question as to whether Mr. Window should be notified that he may make application for patent and that the same when received will be considered on its merits, or whether he should be called upon to erect a habitable house, or advised that his case will be further considered on his submitting a medical certificate setting out his present physical condition.

Respectfully submitted,

W. W. Cory.

OTTAWA, 10th September, 1928.

Sir,-

S.W. ¼ Sec. 36 Tp. 37 Rge. 4 West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

DECLARATION OF ABANDONMENT.

In the Matter of the North West quarter of Section 10
Township 34 Range 18 West of the 4th Meridian.

I, Stanley Livingstone Metcalf
of Burford Province of Ontario
do solemnly declare:

That I made entry for the above-mentioned land as a Homestead
at the Dominion Lands Office at Stettler, Alberta on
the Seventh day of September 1910,
and I now ask to have said entry cancelled for the following reasons, namely:—

Here state reasons: My father is sick being poor, I left my homestead at Gopher Hdq, Alta, on January 31st 1912, and came to his farm here. He needs me at home to help on the farm until his health improves.

Here state nature and extent of improvements and portion cultivated, where performed.) I commenced residence on Sept 7th 1910 and resided with my brother, A. R. Metcalf, on the N.E. ¼ of sec 5, township 34, range 5, W. of 4th Meridian. I did residence duties there from Sept. 7th 1910 to Dec 14th 1910; from Mar. 7th 1911 to July 27th 1911; from Sept 1st 1911 to Nov. 11th 1911. When I was away I was looking for neighbouring homesteads.

Here describe the improvements and state value thereof (give area of breaking and cultivation each year.) I broke 17 acres in hand gumbo and broke it 6 inches deep. I then disked the land (17 ac.) 4 times over and harrowed it once so that it is in splendid shape for the drill. I also picked and hauled off all the stones off 17 acres. Values — 17 acres breaking @ $5.00 per ac. $85.00; 17 acres of disking @ 50¢ per acre each time or 2 operations for 4 times = $34.00; 17 acres of harrowing at 25¢ per acre = $4.25; picking and hauling stones = $1.75; Total — $125.00

Here state if intention is to immediately re-enter for other land.) I do not intend to enter for other land unless the State of my father's health improves so that he does not need me.

That I have not received, directly or indirectly, nor have I been promised, nor do I expect to receive any consideration of any kind for allowing said entry to be cancelled.

And I make this solemn declaration conscientiously believing it to be true, and knowing that it is of the same force and effect as if made under oath and by virtue of the Canada Evidence Act.

Sir,-

S.½ of Sec. 25 Tp. 24 Rge. 13 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

I beg to acknowledge the receipt of your letter of June 13th 12 with reference to Mr John Darts application to purchase fractional legal sub-division 5 of Section 28. 28-19 W 4th

I beg to state that I visited this land on the 29th inst. & do not think it advisable to let Dart purchase this fraction as I find that the Rosedale Coal Co. have a road through this piece of land to a ferry they have built which crosses the Red Deer River to the railroad siding in order to ship their coal

I might state that the public have free access to the ferry & if Mr Dart is allowed to purchase this fraction it might possibly cause the Coal Co & the public a good deal of trouble to find another crossing on the river & the land is of no value whatever for agricultural purposes

Dear Sir:

Re: S.E. 21-1-2-West 4th Meridian.
L. A. Brewer.
Dominion & Joint Relief Liens.

This party obtained the following advances from the Dominion Government:

Fodder, 1915	$ 42.60
Seed Grain, 1915	165.30
	172.50
Interest to Dec.31/41:	291.60
	$619.40

He also obtained Joint Relief advances as follows:

April 27, 1920	$ 58.80
April 27, 1920	112.00
April 21, 1922	58.50
	197.30
Interest to Dec.31/41:	294.48
	$491.78

Liens appear as security for all these advances which now stands in the name of the Crown in the Right of the Province, having been taken over under Dx recovery proceedings.

---continued---

BOARD ( )
No. 7879

continued (1-B-168, 1-B-1)

As will be seen the land is situated in the extreme Southwesterly portion of the Province, where drought conditions recur from time to time, and although Mr. Brower has been in residence on the land and utilized the same since the original advances were given, he has never been in a position to make any worth-while payments.

As previously stated, the Provincial Government eventually felt constrained to take title to the property but has now expressed its willingness to re-sell to Mr. Brower on the basis of the actual value of the land, which is set at $450.00.

In addition to the story claims, there are arrears of taxes outstanding in a sum of $1,[illegible]16.80, so that it is quite apparent there is not sufficient money in the sale price to satisfy all these claims. I would, therefore, recommend that after deducting costs in the sum of $5.00, the balance of the sale price be distributed pro rata between the Liens and Taxes, which will result in a distribution of the total sale price as follows:

Costs	$ 5.00	
Seed Liens	193.75	
Relief	98.19	
Taxes	144.06	$450.00

Mr. Brower, with much difficulty, has managed to raise the required sum of $450.00, and has tendered it in full settlement of all these claims, and I have no hesitation, in view of the situation of this land and Mr. Brower's circumstances, in recommending that his offer be accepted.

I would, therefore, recommend that upon application to the various accounts of the sum allotted thereto, all liens taken as security for the advances listed herein be released, and, there being no further security, the balance of these accounts be written off.

Very truly yours,

[illegible]

The Dominion Lands Office,
Lethbridge, Alberta,
Dear Sirs:-

In Re:- William Smith, of Verdant.

Mr. William Smith intends to get a loan on his homestead. I understand that the Certificate of ~~ownership~~ obtained from the Land Titles Office shows Seed Grain and Relief amounting to over $600.00. He has receipts showing the following credits, paid to the Dominion Lands Office, and to certain elevator Companies.

Cert. I, Dom. Lands Statement No. 3161	$87.40.
" Cert. 7, Receipt No. 220629.	47.75.
" May 9, Receipt No. 230628.	41.95.

Receipt No. 1400 from Alberta Pacific Grain Co. Vermilion	21.65.

" No. 1506, " " " "	40.00
" " " " " "	1.50
" No. 17600 " " "	45.45
Dominion Land Receipt	173.31.
	510.46.

In addition to the above sums Mr. Smith states that he handed to a certain party a cheque for some $60.00 to be forwarded to the Dominion Lands Office. Have you any record of this payment in addition to the others above mentioned? You might send me a statement of credits and the total amount of seed grain and other relief. If said grain cheque for $60. has been sent in, however, there would be a greater amount paid than is necessary.

Dear Sir,-

re William Smith.
L. . 30-4-9 14E.

The Agent of Dominion Lands, Lethbridge, has forwarded to me a letter written by you from Stzikon, dated the 17th December, with reference to the indebtedness of William Smith and the above mentioned land.

You claim a payment, Sept. 1st, 1916, Dominion Lands Statement #3161, $87.40. This is made up of two payments, $41.95 and $45.45, and was merely a statement to Mr. Smith showing a credit of $87.40 as having been previously paid in connection with his indebtedness. The payment of $47.75 which you show in your letter, as receipt #229529 is in error. My records show receipt #229529 as a payment of $137.75 made through the Agent of Dominion Lands, Medicine Hat, on the 7th September, 1916. This payment is made up of the second item in your letter, of $47.75, and the amount of $90.00 referred to in the last paragraph of your letter. The third item of $41.95, receipt #230628, is a duplicate of $40.90 and $1.50 with the exchange deducted. The fourth item of $45.45 is a duplicate of the ninth item of $45.45, receipt #17509, paid through the Pioneer Grain Company. The last item of $137.75 covers the second item of $47.75 and the amount of $90.00 claimed in the last paragraph.

In explanation of this I would advise you that receipt #1506, given Mr. Smith by the Alberta Pacific Grain Company for $40.90 and $1.50 is not a Departmental Receipt. When the Alberta Pacific Grain Company paid this amount into our Winnipeg office this Department issued to Mr. Smith Receipt #230628. The same applies to receipt #17509, issued Mr. Smith by the Pioneer Grain Company.

Yours,

Stzikon, Alta.

(over)

and when remitted by the Pioneer Grain Company this Department issued Receipt #217552. In your letter you state that Receipt #229529 calls for $47.75. According to my records this receipt was issued by the Agent of Dominion Lands, Medicine Hat, for $137.75. Regarding Receipt #1600, issued by the Alberta Pacific Grain Company for $91.85 and $48.40 as claimed by you. According to the stub of the Farmer's Receipt with which I have been supplied, Receipt #1600, would appear to call for $96.25 and I have no record of same having been remitted by the Alberta Pacific Grain Company. I am this day writing the above firm regarding this deduction.

You will therefore note that three payments only have been received by the Department in connection with this indebtedness namely the payments of $45.45, paid to the Pioneer Grain Company on the 2nd December, 1915, the payment of $41.95, paid by the Alberta Pacific Grain Company on the 26th November, 1915, and the payment of $137.75 reported by the Agent of Dominion Lands, Medicine Hat, on the 7th September, 1916.

I am this day writing the Alberta Pacific Grain Company regarding the deduction of $96.25 made on the 4th December, and on receipt of a reply from them, you will be further advised.

Re William Smith.
S.E. 30-4-9 W4M.

On the 4th day of Dec. 1915, your Agent, J. P. Begin, issued to William Smith at Nemiscam, Receipt #1600 for the amount of $96.25 to apply against Mr. Smith's Seed Grain Fodder and Relief indebtedness. On the 25th November, previous, Receipt #1596, was also issued by J. P. Begin to Mr. Smith for the amount of $41.95.

According to my rederds the amount of $41.95 only was remitted by your firm and H. B. Robinson, Barrister and Solicitor of Stavikom, has now written regarding the payment of $96.25 of which I have no record of having received from you.

Would you kindly advise me regarding the deduction of $96.25 from Mr. Smith and if same has not already been remitted by your firm, kindly forward a cheque at your earliest convenience.

We enclose herewith our cheque for $96.25, in payment of Hemiscam Receipt No. 1600. This is as per your letter of Dec. 5th, your file R.52274.

Now the reason this cheque was not forwarded to you long ago was, for the simple reason that the original cash ticket, from which this amount was deducted, has never been cashed by us, the balance on the ticket being only..$2.50 , and very often these tickets with deductions have been paid for the full amount, and we always make it a practice not to forward you money deducted from cash tickets until such time as the original tickets were cashed and in our possession.

Sir,

In reply to your communication of the 26th ultimo, I beg to inform you that the North East quarter of Section 30, Township 4, Range 9, West 4th Meridian is the patented homestead of William Smith.

He also holds the South East quarter of this section under pre-emption entry and has made an application for patent therefor. As he claimed that the requisite duties had been completed, a Certificate of Recommendation was issued to him dated the 1st November, 1919, which was valid for a period of one year from date of issue and within that time would entitle him to obtain money by mortgaging or otherwise disposing of his interest in this land in order that he might complete payment to the Department. This document expired and has not been returned to the Department for an extension.

In view of the fact that patent has not been issued, his pre-emption entry cannot be seized in execution of his debts.

I might inform you that the amount outstanding on account of the purchase price is as follows:

1st instalment $160.00 due 17-1-13 with interest thereon.
2nd instalment $ 64.00 due 17-1-14 with interest thereon.
3rd instalment $ 64.00 due 17-1-15 with interest thereon.
4th instalment $ 64.00 due 17-1-16 with interest thereon.
5th instalment $ 64.00 due 17-1-17 with interest thereon.
6th instalment $ 64.00 due 17-1-18 with interest thereon.

I beg to inform you that your failure to remit at least a substantial payment on account of the purchase price in connection with your pre-emption, the above described quarter section, must be taken as an indication that you are not greatly interested in your land and your entry, therefore, is liable to cancellation on the proceedings which are now outstanding.

The Department is not desirous of cancelling your entry without affording you every opportunity within which to show good faith. It has, therefore, been decided to allow you a further period of thirty days from this date within which to either remit a substantial payment on account of the purchase price or furnish good reasons why you should be granted a further extension of time within which to pay.

I am to warn you that should you fail to satisfy the Agent of Dominion Lands at Lethbridge as above set forth within the time allowed, he will report here and the question of cancelling your entry without further notice will receive consideration.

Sir,

Referring to your letter of recent date, I beg to say that there is a charge against the above described quarter-section for seed grain and relief amounting to $404.85 with interest at seven per cent from the 31st March last. This charge would have to be paid or assumed by any person making homestead entry for the land, and under these circumstances it is thought possible you may not desire to press your application to have the land made available for entry.

If you still wish to protest against the issue of a grazing lease you might advise me further.

Please see enclosed Handbook, page eleven, which explains the practice of the Department in connection with any improvements on land for which entry may be obtained.

Your file - 119224.

The above land is the cancelled pre-emption of Mr. William Smith. When Mr. Smith applied for pre-emption patent it was shown that 243 acres of the homestead and pre-emption were under crop.

Mr. Smith's entry was cancelled in April, 1926. The land was inspected by Homestead Appraiser H.S. McCowan, 9th May, 1925, and the following report furnished this Office as to the character of the land:-

Nature of soil - sandy clay.
Sub-soil - clay.
Area fit for cultivation - 160 acres.
Cultivation - 80 acres.

In view of Inspector McCowan's report 28th July, 1927, to the Timber and Grazing Lands Branch that this land is not suitable for agriculture or a stock homestead, it would appear that departmental instructions 11th December, 1926, issued by the Timber and Grazing Lands Branch, reference #145330 T.& G., have been overlooked.

Kindly have a supplementary report furnished after the land has been fully inspected, setting out whether this land is better adapted for grazing than for homesteading under the settlement conditions.

Posted on 82G in April, 1926.

There may, however, be an application for a grazing lease.

Mr. S. Johnson, in July last, wrote to the effect that he wished to take the quarter-section as a homestead, which is good farming land. He was written to on the 2nd August and informed of the amount due, namely $404.85, with interest at 7%, to the 31st March last, for seed grain and relief, and also referred to page 11 of the handbook with regard to the practice followed by the Department when entry is obtained.

He was also informed that if he still wished to protest against the issue of a grazing lease to advise this office. He has not replied.

An Inspector, in May, 1925, reported the area fit for cultivation - 160 acres. The same Inspector on the 29th July, 1927, (report on T&G file) reported the land not suitable for agricultural purposes. The Agent was, therefore, requested to procure a supplementary report, which has now come to hand and reads as follows:

> "Owing to the above land being
> "located in the dry area where they have had
> "crop failures for the past ten years, causing
> "over seventy-five per cent of the settlers to
> "move to new locations, and if the settlers who
> "are left are to make a success at say mixed
> "farming they would have more pasture, hence
> "the reason I consider that the above land is
> "not suitable for agriculture or stock homestead."

If Mr. Johnson is satisfied to take up the quarter-section as a homestead, particularly as there

is....

MEMORANDUM: Dominion Lands Branch:

Re. Grl 30-4-6-W.4th.

On the 3rd December last, an application from Mr. W. H. Harrison, of Veniscar, Alberta, for a grazing lease of the above described quarter section was cancelled in view of the fact that by letter of the 26th of November last, a copy of which is marked hereunder, the Secretary advised the Agent of Dominion Lands at Lethbridge to post the said land for ordinary settlement.

Apparently the land was posted in the usual way and on the 14th ultimo Mr. Harrison again filed an application for a lease thereof.

The Inspector's report in connection with the present application has not yet been furnished.

In view of the fact that this land was found suitable for settlement purposes would you be kind enough to advise whether or not Mr. Harrison's application should be proceeded with or cancelled forthwith without waiting for a further report from an inspector.

instructions given to the Agent to post. It is further stated that Mr. Harrison again made application on the 14th January last.

Timber and Grazing Branch wish to be advised, in view of the fact that this land was found suitable for settlement purposes, whether or not Mr. Harrison's application should be proceeded with or cancelled without waiting for a further report from an Inspector.

OTTAWA. 29th February, 1928.

MEMORANDUM.

Mr. Hume:

S.E.¼ 30-4-9-W.4th M.
Posted on 826 in April, 1926.

Mr. S. Johnson in July last stated that he wished to file on this quarter section as a homestead, which was good farming land. He was informed of the amount due, namely $404.85, with interest at 7% for seed grain and relief.

In May 1925 an Inspector reported 160 acres fit for cultivation.

I have not the Timber and Grazing file but from a memorandum of the 16th November last on file, it is noted the same Inspector reported in July 1927 land not suitable for agricultural purposes.

A supplementary report was called for and under date of the 29th October last Inspector McCowan reported as follows:-

"Owing to the above land being located in "the dry area where they have had crop failures "for the past ten years, causing over seventy-five "per cent of the settlers to move to new locations. "and if the settlers who are left are to make a "success at say mixed farming they would have more "pasture, hence the reason I consider that the above "land is not suitable for agriculture or stock home-"stead."

The case was submitted on the 16th November last and instructions were given to post the land for ordinary settlement.

Mr. Johnson later stated that he would like to homestead this land and would assume all charges on a crop basis. He was informed that the Agent would advise him as to when the land was available for settlement.

The land was posted for ordinary settlement on the 16th December December last. The posting notice shows that there is an amount of $404.85 with interest outstanding on account of seed grain.

Timber and Grazing Branch now report that one, H. H. Harrison, on the 3rd December last made application for a grazing lease which was cancelled in view of the

Dear Sir:-

I visited the Dominion Land Office with my son who is over seventeen years of age to have the S.E.30-4-9-4 reserved for him till he reaches the age of eighteen years.

I was told this land was reserved in connection with an application for grazing land, and that I could do nothing.

This land is good for Homesteading and at least one hundred acres could be broken and cropped. The former entrant had at least eighty acres broken but went back to sod again.

Please let me know if there is any chance of this quarter being again opened for homesteading.

I may add that the land is now reserved in connection with an application to lease under the grazing regulations but whether or not a lease is granted will altogether depend upon the report of the Inspector as to the character of the land. STATEMENT

of Seed Grain, Fodder and Relief indebtedness.

William Smith
S.½-30-4-9-W.4th M.

FEDERAL

As per statement attached.

The Lienee in his application for seed grain stated he had 160 acres broken on the N.E.¼ and 20 on the S.E.¼, for which he obtained 1.0 bushels of wheat and 1.0 bushels of oats.

PROVINCIAL-FEDERAL

50-60 Basis.
No Record.

SECURITY

N.E.¼-30-4-9-W.4th M.

This was the Lienee's homestead, patent to which was issued in his name on the 31st March, 1913. The Liens were registered on the 24th August and the 1st October, 1915, and in 1927 title to this land still stood in the Lienee's name.

S.E.¼-30-4-9-W.4th M.

This was the Lienee's pre-emption, entry to which was cancelled on the 27th April, 1926. The land was posted for grazing, and Mr. Herbert H. Harrison of Nemiscam, Alta., was granted a lease for a term of twenty-one years from the 1st May, 1928. Mr. Harrison paid the sum of $100.00 for improvements, and this amount has been transferred and applied to the outstanding indebtedness.

A report obtained in 1925 described the soil on the S.E.¼ as sandy clay, clay subsoil; and stated the improvements on the N.E.¼ consisted of: House - $175.00, stable - $50.00, granary - $150.00, fencing - $150.00, other buildings - $25.00.

In 1929 the Lienee, whose address was then Meadow Lake, Sask., was granted authority to obtain a second homestead, but apparently has not yet taken advantage of the same.

Mr. Loree has requested a Statement under his Ref. No. I-S-173.

Re: S.W.¼ 28-8-20 W.4th M.

Kindly be referred to the two communications received under dates of the 25th April last and the 13th ultimo from Messrs. Johnstone, Ritchie & Buckvale, Barristers at Lethbridge, Alberta, the former being accompanied by a Statutory Declaration executed by one R. Smith to the effect that title to the above described land should not be encumbered by Dominion Liens. On referring to the latter communication it appears that the encumbrances in question are for the sums of $493.20, $61.20, $352.50, $145.50 and $56.40.

In this connection it appears that the land involved was held by one William Smith, deceased, and that the sworn declaration was executed by his representative, R. Smith. The records show that in 1915 one William Smith received from this Department on the security of the E.½ 30-4-9 W.4th M. Seed Grain, Fodder and Relief of which there is still outstanding a balance, and the registrations affecting the S.W.¼ of 28, are a combination of these liens made up as follows:-

$493.20 is a combination of:-

Seed Grain	$352.50
Fodder & Relief	$ 15.50
" "	$ 69.70
" "	$ 22.50
" "	$ 33.00
Fodder	$ 61.20
Seed Grain	$352.50

Fodder of $145.50 is made up as follows:-

$22.50
$33.00
$61.20
$28.80

$15.50 and $40.90 equal $56.40

It will be noted that the encumbrances in question are registered against the land above described in duplicate and were no doubt made a charge against that land due to the similarity in names.

The matter is, therefore, referred to you for further action.

H.B. PERRIN,

Controller, Lands Settlement.

Sir:

Re S.W.¼ 28-8-2[illegible].4th Mer.

I beg to inform you that Messrs. Johnstone, Ritchie & Huckvale, Barristers at Lethbridge, have filed here through the Agent of Dominion Lands, Lethbridge, a declaration made by R. Smith of Lancashire, England, in regard to liens for $493.20, $61.20, $352.50, $145.50 and $56.40, respectively, alleged to be wrongfully registered against the above described land, and to say the records here show that the advances covered by these liens were made to one, William Smith on the security of the N.½ 30-4-9-W.4th Meridian and should not cloud the title to the first above described land.

You are therefore, hereby authorized and requested to remove from the title to the said the S.W.¼ 28-8-20-W.4th Meridian the liens for $493.20, $61.20, $352.50, $145.50 and $56.40, respectively, registered against it.

Sir,

Re Lots 37 to 40, Blk. 32, Plan 958-J,

I am advised by Messrs. Ballachey, Burnet, Spankie & Heseltine, Barristers and Solicitors, High River, that liens for $493.20 under Instrument No. 1507 B.K., $61.20 under Instrument No. 1820 B.K. and $352.50, $145.50 and $56.40 under Instrument No. 256 B.K. appear registered against the title to the above described lots of which the registered owner is William Smith of High River.

These liens were given in favour of the Department by one William Smith in 1915 on the specific security of the S.W.¼ 28-8-20-W. 4th M., and Mr. William Smith the owner of the lots has forwarded a statutory declaration to the effect that he is not the William Smith the liener in the liens referred to. A comparison of the signatures and other information on file corroborates his declaration.

You are, therefore, hereby authorized and requested to remove from the title to Lots 37 to 40, Block 32, Plan 958-J, High River, Alberta, the liens for $493.20 under Instrument No. 1507 B.K., $61.20 under Instrument No. 1820 B.K., and $352.50, $145.50 and $56.40 under Instrument No. 256 B.K.

Dear Sir:

Re: William Smith

Dominion and Joint Relief Advances

The above party obtained the following Dominion and Joint Relief Advances giving as security liens on the title to the above land.

Dominion Advances

Relief 1915	
Relief and Fodder 1916	$15.50
Fodder 1915	69.70
Fodder 1915	61.20
Fodder 1915	22.50

	352.30
Interest to March 31st,1954	554.40
	526.27

Payments	421.40
	659.27

Joint Relief

May 1st,1919	
July 31st,1920	88.00
April 30th,1922	349.51
	86.65
Interest to December 31st,1954	524.16
	1,223.36
	1,747.52

The land described above was the debtor's homestead entry which was patented [illegible] 31st,1913. In addition to liens for the above mentioned advances a mortgage to Arnold G. Pinhorn for Eleven hundred dollars ($1,100.00) with interest at ten percent (10%) was registered on June 14th,1918.

After a series of poor years the debtor became discouraged and moved to the United States. Before leaving he asked a close neighbor, Herbert H. Harrison to take over this land. About two years later Smith wrote Harrison asking for Fifty dollars ($50.00) and this was sent to him. The whereabouts of the debtor have been unknown since.

Mr. Harrison has through his solicitors approached this office with a view to settling the Dominion and Joint Relief Advances accounts and has tendered a payment in the sum of Six hundred and fifty-seven dollars and sixteen cents ($657.16) as full settlement and discharge of the relative liens.

The applicant has made settlement of the Pinhorn mortgage for an undisclosed amount and has kept the taxes paid up. He is a man of advanced years and has had quite a struggle to farm in one of the drier sections of the province. This land is situated in a township where awards under the Prairie Farm Assistance Act have been made in nine out of the past thirteen years.

In view of the above circumstances it is my opinion that the offer of Six hundred and fifty-seven dollars and sixteen cents ($657.16) which is equal to the amounts of principal outstanding, would be a fair settlement.

I would therefore recommend that the sum of One hundred and thirty-three dollars ($133.00) be applied to account of Dominion Advances and the sum of Five hundred and twenty-four dollars and sixteen cents ($524.16) be applied to account of Joint Relief Advances and after application of these amounts the accounts be so adjusted as to provide for settlement in full in each case and the liens discharged.

Provincial Seed Grain Advances in the amount of One thousand one hundred and thirty-seven dollars and seventy cents ($1,137.70) together with accrued interest have been cancelled.
